Implementing New Technologies

- **Micro Learnings** – Microlearning is a way of instruction and delivering content to learners in small, very specific bursts.
- **Mobile Trainings** – Mobile learning is any education or training delivered through a mobile device, either smartphone or tablet.
- **Virtual World/Environment on Laptops** – Virtual worlds, which are different from virtual reality, are computer-based simulated environments that allow for many persons to interact simultaneously in an environment.

Subscription Pricing Program

- Subscription options allow organizations to purchase TC3 training courses at discounted prepaid rates for their employees or members.
- Unlimited, annual per-person price:
 - Unlimited courses for 5 users @ \$600 per user = \$3,000
- Optional bulk-hour price:
 - 50 hours @ \$40 per course hour = \$2,000
